

DELTA MODELING USER GROUP

California Department of Water Resources | Modeling Support Office | Delta Modeling Section

Goals

Promote the exchange of ideas, information, and issues involving the use of any Delta models and/or the development of newer versions of DSM2 and SCHISM in the future.

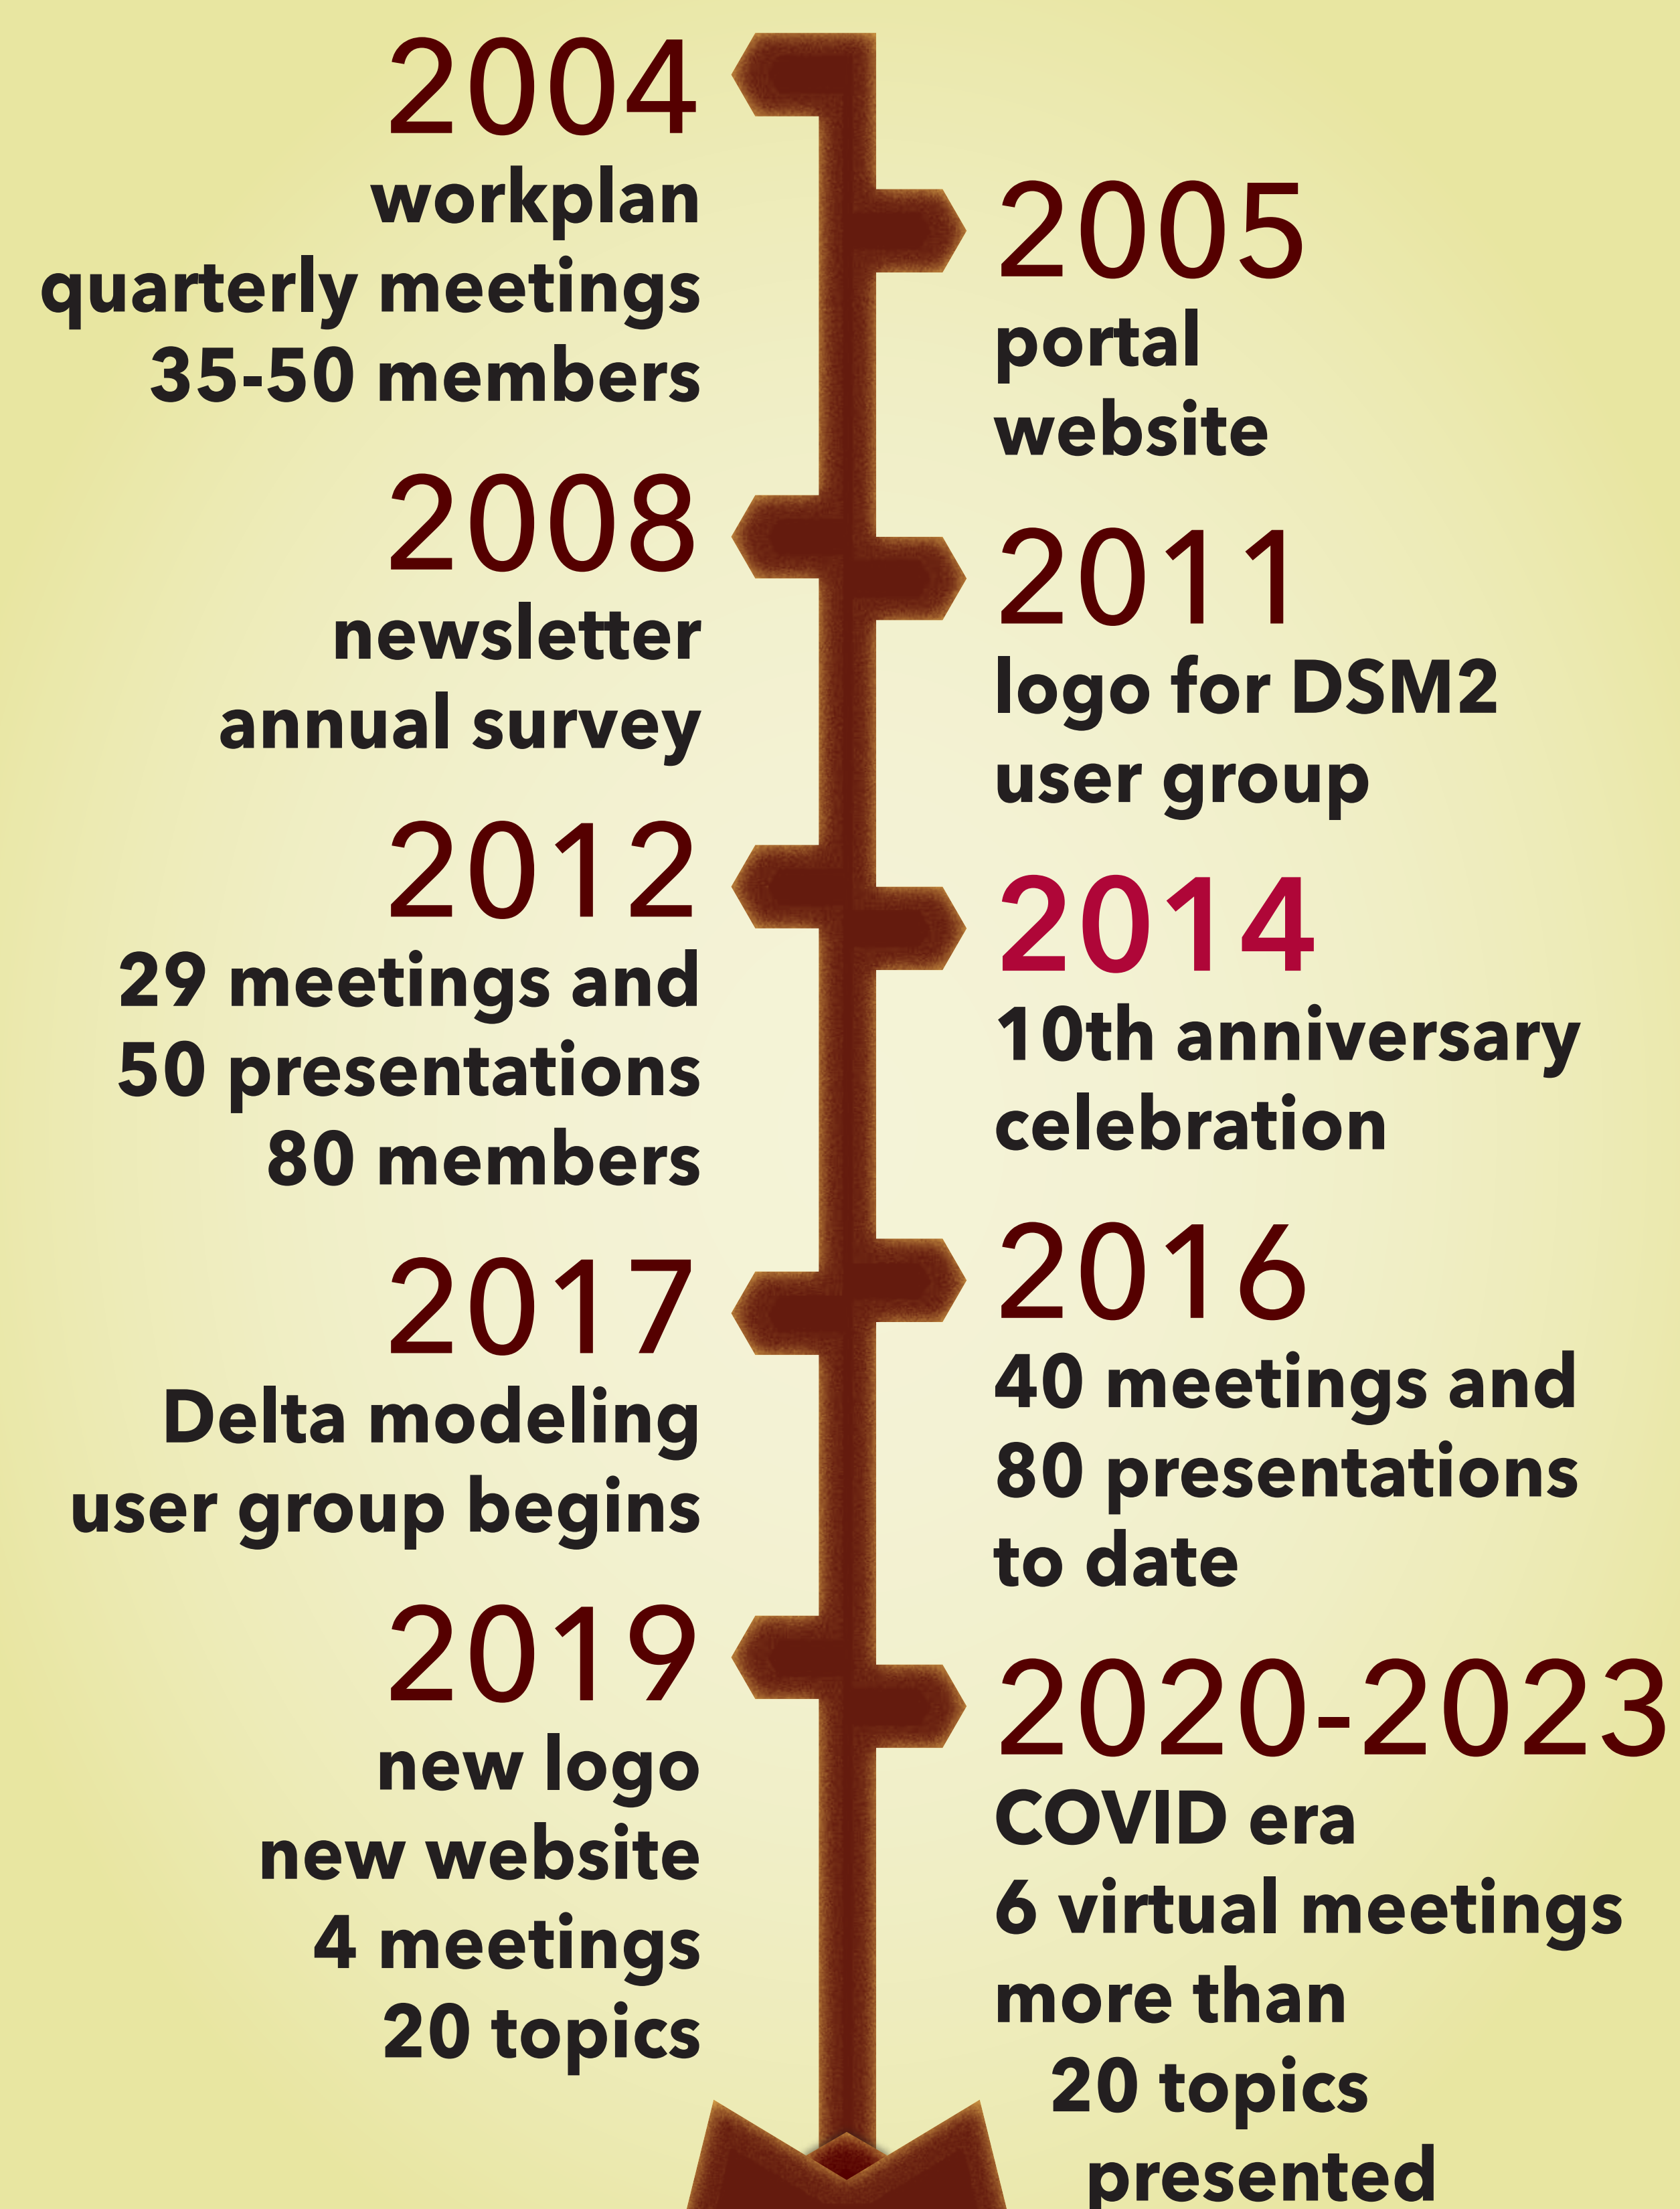

Objectives

Enhance collaboration in the Delta modeling community:

- ⊗ Improve understanding of users' interests and needs through direct communication.
- ⊗ Improve sharing of models' details, study results and Delta-related data.
- ⊗ Improve incorporation of users' input in models' enhancement.
